**The following is a notice required by Texas law. Please be advised that a nomination taken from the floor in a board member election is not considered an amendment to the proposal for the election. "By casting your vote via absentee ballot, you will forgo the opportunity to consider and vote on any action from the floor on these proposals, if a meeting is held. This means that if there are amendments to these proposals your votes will not be counted on the final vote on these measures. If you desire to retain this ability, please attend any meeting "in person" You may submit an absentee ballot and later choose to attend any meeting "in person", in which case any "in-person" vote will prevail."*

" In person" refers also to attending the meeting virtually via call in or log-in. If the current Directors of Lakeside Improvement Association, in accordance with city and/or county directives, are advised to make changes to the regular meeting format, "in person" will constitute attending the meeting virtually via call in or login.
