RECREATION FACILITY RULES

Each registered user must have an electronic access card to enter the park, pool or tennis courts. The access card is for the protection of residents and guests, and is designed to prevent unauthorized access to the facilities. Each card is registered to a single residence and is **NOT** to be loaned out; gates are not to be propped open. The card is non-transferable. Smoking and the consumption of alcoholic beverages are not allowed.

LOANING YOUR CARD TO ANYONE WILL RESULT IN YOUR CARD BEING REVOKED. LIFEGUARDS WILL NOT ADMIT RESIDENTS WITHOUT AN ACCESS CARD TO THE POOL.

As a courtesy to your fellow neighbors and to those that volunteer their time and talents to make this a wonderful neighborhood to call home, please leave our beautiful shared spaces in the condition that you would like to find them.

Pool Rules

- 1.** The lifeguards are in charge of the daily operations of the pool. Lifeguards have the authority to remove anyone from the pool area who disobeys the rules, endangers another person or damages Lakeside property. Failure to abide by instructions given by a lifeguard will result in your removal from the pool area. Repeat offenders will be denied access for the remainder of the season. If the lifeguards consider it necessary to call security or a board member to assist in the enforcement of the pool rules, the offending resident(s) will be immediately removed from the pool area.
- 2.** Parents are responsible for the safety of their children and guests. Please **read the section on the next page for rules regarding children.** Please note that physically challenged individuals must be accompanied by a capable adult 18 years of age or older.
- 3.** No swimming will be allowed during thunderstorms, inclement weather or at times deemed unsafe by the attending lifeguards.
- 4.** Drinking glasses, glass bottles or containers may not be taken inside pool fence. Plastic or paper cups are allowed. All trash must be placed in containers provided.
- 5.** **Alcoholic beverages and smoking in the pool area are not allowed.**
- 6.** Proper swimming apparel must be worn at all times. (Torn, tattered or inappropriate T-shirts, cut-off shorts, halter tops or similar clothing are considered inappropriate.) Lifeguards can deny access to persons who are not properly attired.
- 7.** No pets are allowed in the pool area.
- 8.** No running, scuffling, wrestling, horseplay or other inappropriate behavior will be allowed on the pool grounds.
- 9.** All pool toys, floats, balls, etc. must be cleared with the lifeguard before you use them.
- 10.** The lifeguard has authority to restrict loud music in the pool area.

Children (These rules are in addition to Texas Aquatic Enterprise's Child Safety Policy.)

- 1.** Children under 10 years of age must be accompanied by an adult 18 years or older.
- 2.** Youth ages 10-17 must be able to swim or they must be accompanied by an adult.
- 3.** Children wearing flotation devices must be directly supervised by a parent or guardian who is **in the water** with the child.
- 4.** Lifeguards do not supervise the wading pool. **There must be an adult with each child in the wading pool at all times.**

5. No running or rough play is allowed.
6. Each child will be permitted two warnings per day for misbehavior. Upon a third incident, the child will be told to leave for the day.
7. Foul language will not be tolerated. If foul language is heard by lifeguards, the resident/guest will be asked to leave immediately **without a warning**.
8. Food and drinks are not allowed at the edge of the pool.

1. No diving in the shallow end of the pool (5 feet or less).

4. Swimmers must dive straight out and not off the side of the board.
5. Divers must swim directly to a ladder – not under the board.
6. No cartwheels or risky dives off of the board. The lifeguard has complete discretion to determine which dives are risky.
